

TAKE3

ACCLAIM REVIEW

We couldn't have been more thrilled. What a magical evening it was. Ended up with a standing ovation and a life memory for so many. It is so nice to work with professionals who are also just great people! I want to work with this group again. Start to finish this is what we needed to remember why live entertainment is special."

-Michael Burgraff, Executive Director, Fergus Falls Center for the Arts

"Lindsay Deutsch grabbed that light with a bold, aggressive tone and a body language that speaks loud and clear to audiences raised on rock videos."
-LA Times

"TAKE3 - you take my breath away! Words are just not adequate to show my appreciation for the high quality of professionalism, musicality, creativity, energy, joy, charisma and just plain beauty that you all exude! What a gift! Thank you from the TLCFA and our small gathering who will never forget the magical night you gave us!"

-Gay Scheffen, Executive Director, Three Lakes Arts Center

"Y'all are the real thing, and that was the happiest and most engaged audience I've seen at the Sheldon. I'll definitely want to get you back."

-Jeff D. Larson, Executive Director, Sheldon Theatre

"Recently I had the pleasure of working with Lindsay Deutsch as solo violinist, during the 14th edition of the Krakow Film Music Festival. I really felt impressed by her amazing talent, enthusiasm, professionalism and beautiful energy. Nowadays is very rare to be able to find all those skills in the same person. Very much looking forward working with her again soon!"

-Diego Navarro, Conductor and Composer

"TAKE3 combines exceptional musicianship - of the highest order - with entertaining and approachable music that appeals to listeners of all ages. The three performers are extremely charismatic, and connect beautifully with the audience. We had two standing ovations and many positive comments from our audience, the most common one being: "When can we have them back". This is a show that will appeal to classical music and popular music audiences alike; it is the perfect way to bring in new and younger audience members. I can't recommend them highly enough!"

"Lindsay Deutsch and TAKE3 are a spectacular trio who perform ultra high-class, entertaining pops, all of which is born from a well-schooled, accomplished classical music tradition. During this most difficult time, their online "Covid-19 concert", recorded especially for us at Music in the Mountains, was exactly what we needed to keep the musical flame alive for our loyal patrons here in Durango."
